Proclamation by Emperor VIII – Bryan Cromwell

Issued July 30, 2007; Revised March 2, 2010

Preamble: This fund was founded in memory of Imperial Crown Prince 5, Juan Ochoa, whose dedication, and love has remained with many of us since his untimely passing in March of 2003. Juan was a valued member of our organization and the gay community as a whole. At the time of his passing the Court put on the first show to assist in his funeral expenses called “Esperanza”.

Realizing this need existed for other members of our community the Court began this fund. As Juan’s passing brought to light the need for such a fund the members who have been instrumental in its formation thought it would be appropriate to bear his name.

The intention of this fund is to assist with the cost associated with the funeral expenses for members of The Imperial Royal Sovereign Court of the Desert Empire, their families and the community we serve. These protocols are meant to provide guidance for the Emperor and Empress as well as the Board of Directors when a request has been made for help from our organization, as well as provide information to our members and our community to guide them if they need to request our assistance. This fund is not meant to cover the entirety of any one funeral but rather to lend assistance and to ease some of the financial burden. The following protocols are intended as

minimum requirements and each request must be examined by the Board of Directors prior to any disbursements.

1. The fund will be kept in an interest-bearing money market account with a minimum of \$2,500.00 (twenty-five hundred dollars) in the fund at all times to keep the account active.
2. Until such time as the fund maintains a balance of \$5,000.00 (Five thousand dollars) no more than \$500.00 (five hundred dollars) may be divested to any single individual per occurrence. At a time when the fund reaches its maintenance goal the Board may revisit the maximum cap per occurrence.
3. A formal written request must be provided to the Board prior to any funds being dispersed stating the intended purpose for the funds, to whom the funds would benefit, to whom the funds will be dispersed, and the amount of funds requested.
4. Proof of death must be provided either through a photocopied official death certificate or public printed obituary.
5. All checks must be written to the funeral home, chapel, florist, travel expense or official funeral services unless otherwise pre-approved by the Board of Directors for special exceptions. These exceptions should only be granted in special circumstances where the expenses are being reimbursed and receipts of payment are provided. Other special circumstances must be handled by the Board.
6. Within one year (365 days) from the funds being dispersed to the requestor, the requestor of the funds must produce an even or host a show which is earmarked to replenish the funds. At any time during this time frame a direct donation in the name of the requestor would nullify this stipulation.

In the event we are no longer physically capable of presenting this award, this task would revert to Reign 19's Monarchs, and in case of their demise, will be presented by the Dean of the Council of Monarchs.

Expenses for this award will be covered by either or both Monarchs of Reign 20 until such time we are no longer capable and at that time, will revert to the Board of Director's as an expense of Coronation.

Proclamation by Emperor & Empress XX – Mikey Choy-Foo & Midori Ice

As it is written, so shall it be done, from this day forward, I hereby proclaim the following:

By no later than 12:00PM the day of Coronation, the Council of Monarchs will be called together by the Dean of the Council or oldest COM member (by REIGN, not AGE) present for Coronation (if Dean not available) to meet, discuss, and vote on the induction of the stepping down

Monarch(s) and ICPK(s) to the Council of Monarchs Council. Upon successful vote (50% +1 positive vote), Stepping Down Monarchs & ICPKs shall be inducted on stage prior to announcement and crowning of newly elected Monarchs the evening of Coronation.

If vote is not successful, the following will not need to take place as individuals will be given the term Dowager Emperor/Empress. During this time as dowager, individuals who wish to pursue their induction will have continued and proven themselves by the time of the next reign's 6-month review and will need to request, to the Dean, their wishes to be re-evaluated. If they are then passed and inducted into the COA, at the next ball, the following will happen along with any other new COA member(s).

The following passage shall be read by the Dean of the COA or the eldest member (by Reign, NOT age) of the Council that is present, if there is no Dean at the time:

Let it be Known from this day forward, Emperor #/Emperor Name, Empress #/Empress Name, and ICPK(s) #/ICPK(s) Name has successfully completed their Reign of Service to their community. Without their leadership and knowledge, we would not be here today, for this I, along with the other members of the Council of Monarchs that are present, induct them into our history as new members of the Council of Monarchs. Please kneel before the Council

(Dean/COA Member will then ask each individual while on their knees)

Will you uphold the Chronicles of Traditions and help shape our future leaders of our great organization to be the best they can be? Do you promise to continue to assist the COA with their yearly responsibilities as well as support our future leaders to meet their qualifications?

Upon stating yes, each monarch will rise individually and be greeted with the new term of "Silver Starred Emperor/Empress & their Number" and each ICPK will rise individually and be greeted with the term of

"Silver Starred ICPK & their Number".

Proclamation by Emperor XXIII – Gregory Smith-Burns

Pursuant to the Bylaws, Policy and Procedures, and Chronicles and Traditions of the Imperial Royal Sovereign Court of the Desert Empire, Incorporated, and throughout the realm, I hereby do proclaim:

At the successful completion of each reign, all titles bestowed by that Reign’s Monarch shall become permanent titles unless removed for disciplinary action or removed by the Monarchs prior to the end of their reign.

Permanent titles can be used to walk, both in state and out of state, at coronations or other court functions, at which title holders are recognized and will be the title given followed by the reign number. Permanent title holders are by name only and do not have the same rights and privileges as Lifetime Title Holders or Citizens for Life.

Permanent title holders will walk according to the Reign of their title.

Permanent titles may be replaced only with a higher title bestowed by a Monarch of a later Reign. In this case the individual would maintain their highest title and all previous titles will be abated.

If multiple permanent titles are given the individual may chose one permanent title to walk with.

Section VIII Articles of Traditions

- Stepping down Empress will crown the newly Elected Empress with all past Empress's contributing a pin to help secure the crown in place.
- White gloves will be worn by all Male line members when attending formal state functions.
- During the annual turnabout show the reigning Emperor and Emperors of The Council will serve the Empresses pizza.
- It is recommended if you cannot attend Reno Coronation to then attend a Brother, Sister or Father Court Coronation.
- In our efforts to promote and bring the hospitality of Las Vegas to other Courts around the International Court System we encourage the conducting of Dam Water fundraising events to be held in their realms supporting their newly elected monarchs. In furthering the promotion of the IRSCDE it is suggested for each reign to design appropriate T-shirts to wear during these events.

- It is the responsibility of the reigning monarchs to purchase the gifts presented to the stepping down monarchs at those Coronations they attend or send with a Court member attending in their absence. It is also recommended, if they cannot attend a Coronation to send a note of congratulations to the stepping down monarchs.
- To promote the togetherness of the IRSCDA and to provide the dramatic arrival of any contingent at a Coronation, it is recommended for all in attendance to meet at the Reigning/Latest Empress's room and enter the Coronation Ballroom together.
- To further the hospitality of the IRSCDA, The Council will take their place outside the ballroom at the IRSCDA Coronation, at least thirty (30) minutes prior to the start to greet and welcome those guests attending Coronation in a receiving line. The receiving line will go in order from the most senior of monarchs in attendance through the recent.
- There will be a meeting of The Council immediately preceding the Victory Brunch.
- The newly Elected Monarchs are responsible for all regality associated with Coronation until formally turned over to the Dean of the Council.

Those awards which are their responsibility are In-Town plaques or certificates; Coronation – Humanitarian, Member of the Pear, Crystal (maximum allowed of three), Lifetime & Citizens for Life (as previously defined); Victory Brunch – Title to Title awards, and Coronation theme awards.
- Further it will be The Court's responsibility to fund the President's Award given at Coronation. Additionally, Baron I/Emperor I, Mark Jensen will be afforded the opportunity, at Coronation, if he so chooses to present his MAA (Mark and DeShannon) award and/or on behalf of his deceased Baroness I/Empress I, DeShannon Christie-Jewel the DAA (DeShannon and Mark) award.

All symbols of office, including but not limited to: robes, staff/scepter, state crowns, orbs, etc... are to be presented to the newly elected monarchs at that time. The last two official acts of the past Monarchs will be (1) Victory Brunch – Opening and Awards and (2) Divestitures - disbursement of funds raised during their Reign.
